

Thank you for your purchase of Jesada's 10-piece Solid Brass Template Guide Kit. Your kit includes eight carefully machined guides with outside diameters of 5/16", 3/8", 7/16", 1/2", 5/8", 3/4", 51/64" & 1". The kit also includes two locknuts and fits Porter•Cable, Black & Decker and other bases with an 1-3/16" hole. Many other routers include an adapter that matches our guides. If the chart below indicates that a router requires an adapter order by the item number listed.

Router Manufacturer	Router Model	Accept Guides?	Adapter Item Number
